EDUCATION

University of Connecticut

Sacred Heart University

Graduation May 2027

Bachelor of Science, Major Computer Science

Storrs, CT

- **GPA: 3.7** Dean's List
- Slavic Club

TECHNICAL SKILLS

- **Languages:** C/C++, Python, JavaScript
- **Technologies:** Git, Bash, ChromaDB, Flask, TCP/IP, RAG, Anaconda, LangChain
- **Concepts:** OOP

WORK EXPERIENCE

Sacred Heart University

2023 – 2025

IDEa Lab Assistant

- Solving technical issues with lab equipment, and making technical hardware projects using **Arduino**, **Raspberry PI** and custom **CAD** models.
- Organizing events like **robotics** competitions for school students.
- Teaching Lab visitors how to use Lab equipment like 3D printers, soldering stations.
- Explaining basic electronics for students.

Peter the Great Saint Petersburg Polytechnic University, St.-Petersburg

May 2025 – August 2025

Research Assistant

Saint-Petersburg, Russia

- Made a stand alone application for glass property description based on TNM (Tool-Narayanaswamy-Moynihan) phenomenological model using: **Python**, **Matplotlib**, **NumPy**, **Tkinter**, **Pyinstaller**, **Anaconda**.

PROJECTS

- **AI Twitch Streamer:** Making twitch streamer using **OpenAI/Gemini API**, with **RAG** based on twitch chat by using **ChromaDB**. Later implemented an AI agent.
- **Academic Festival Project:** Making WordClock with self designed circuit board, designed in **EasyEDA**, for matrix with four **max7219** chips and **arduino**.
- **Science RAG:** Chunking huge pdf texts with **LangChain** and uploading them in vector data base, for later use in query for OpenAI API. As a result, obtaining more reliable information on a specific topic from a trusted source.
- **GroceryLocatorHackRU25:** A Flask web application that helps users find the cheapest grocery items at nearby stores by zipcode created with **Flask**, **folium**, **NumPy**, **pandas**, **sqlite3** during the HackRU 2025 24-hour hackathon at Rutgers University

SOFT SKILLS & INTERESTS

- **Skills:** Communication skills,
- **Interests:** Sewing, ART, Electronics, Rock-climbing, gym, German language, Russian language, Museums.
